Summer **2016**

St. Joseph School is pleased to announce we have a continued enhancement program for all students in grades 4-8. We have carefully selected one book per grade level for students to read over the summer! Students will be assessed over the assigned book at the beginning of the 2016-2017 school year. These books can be found in the SJS library, the Yoakum Public Library, online at amazon.com (or your website of choice) and in e-book form on Kindles and iPads. If you choose to do so, these titles should also be available for purchase in audio form. Of course, students will also be allowed to AR test on the assigned book once he/she has completed the book.
