

**St. Joseph School
Emergency Care Information**

2016-2017

Child's Name _____ Grade _____

Please check the following procedures you want the school to administer in case of these minor emergencies:

_____ For a cut or abrasion, the wound will be cleaned with soap and water and Neosporin or Bactine will be applied with a band-aide cover.

_____ For a wasp or bee sting, Benadryl cream, with the active ingredient of Diphenhydramine, or a mixture of Baking Soda and vinegar will be applied. If your child is allergic to anything, please make a note of this below.

My Child is allergic to _____
