

Introductory Spanish
7th and 8th Grade

Teacher: Mrs. Goodrich
Duolingo online program

Students will participate in online lessons and class projects. Homework will be assigned as needed. To access the material online go to the website www.doulingo.com. Students will login to their account then join the the teacher's classroom.

Duolingo is an online, self-paced program; 7th and 8th grade students will spend a minimum of 2 hours per week working on the Spanish language program.

Curriculum topics include the following: Basics 1, Common Phrases, present, past perfect, infinitive, future tense verbs, Basics 2, adverbs, nature words, sports and medical words, verbs, etc.

Students will be assigned individual goals each nine weeks period.
