St. Joseph School providing Catholic Education for 125 years

Written by a tale-telling teacher

St. Joseph School is back in action!!! As hard as it was, we made it back to school Monday and we hit the ground running! Can't believe it is already the 2nd semester for this school year! As we are still in the Christmas season of the Catholic church, we are still celebrating and we remember the wise men this week, on their journey to meet the Newborn King, our Savior, Jesus Christ.

During this time of year, we are reminded of all of the love our school receives. We sincerely appreciate and thank all of our SJS parents, grandparents, families and friends, for choosing Catholic education. As faculty and staff, we certainly know the sacrifices made to commit to Catholic schooling and we are happy to share in the enthusiasm of teaching the whole child! We continue in our mission "To teach the children of God to walk in the footsteps of Christ. We stress the total development of the child: Spiritual, Moral, Intellectual, Social, Emotional and Physical." We appreciate your trust in our passionate educational efforts and abilities.

And so, ladies and gentlemen - this tale-telling teacher is back and ready to prowl around for some juicy insight into our school for this second semester! Be on the look-out for updated Gala information and don't forget to save the date for the main event!!! Join us February 25, 2017 at the Yoakum Community Center to enjoy an evening "Under the Big Top!" Happy New Year and God's blessings on all of our readers!
