

TIGER TALES

St. Joseph School providing Catholic Education for 125 years
Written by a tale-telling teacher

Jesus, our Teacher is the name of the lesson our second graders are working on. And this past Wednesday, we heard in mass how Jesus taught us to pray, giving us the words of the Our Father prayer, summarizing his teachings from the gospels. We are learning what the words parable and trespass mean and it's pretty incredible to watch their little minds soak up the words of God at such a young age. We want to remind all of our readers that there is an extended, open invitation to all of you to join us at mass on Wednesday mornings to see just a glimpse of God working in our students.
