

Continuing Education for Safe Environment

“How to Protect Children from Child Abuse”

The Office of Safe Environment with the Diocese of Victoria requires St. Joseph School to distribute to every household the Safe Environment Continuing Education Compliance Booklet. It should be reviewed by all parents. Please sign and acknowledge that you have read this information.

You will not be Safe Environment Certified unless you sign and return this form.

_____ I have read the information for the Safe Environment Continuing Education from the Diocese of Victoria.
