

TIGER TALES

St. Joseph School providing Catholic Education for 125 years
Written by a tale-telling teacher

Oh my goodness, so much on the brain this month! Although, we are blessed with limited distractions in the classroom for a while, looking forward, there is a lot to keep us busy!

The SJS PTC Gala is in two Saturdays!!! Tickets are on sale NOW!!! Only 300 Tickets will be sold so purchase your tickets ASAP! If you need a Gala Sponsorship form or are interested in donating to the live or silent auctions, please contact the school office @ 361-293-9000. We hope you join us for a "Night Under the Bigtop!"

The Wednesday following Gala (March 1) is Ash Wednesday - the beginning of Lent! Start your lenten preparations now, so that you are successful in your sacrifices. All are encouraged to consider participating in a new program being offered through St. Joseph Church - ALPHA. This is an 11-week program starting February 20. Please contact the Pastoral Center for more questions.

Congratulations on the finish of basketball season to all of our SJS athletes! We are especially excited to claim Zone Champs in Victoria Diocese for Boy's A Team, Small Schools. We are jumping right into spring sports, with our first track meet happening next week.

We want to extend a special invitation to anyone in our community considering Catholic Education. Please call to set up an appointment to visit our campus and ask questions.

Have a great week! God's Blessings!
