

# TIGER TALES

St. Joseph School providing Catholic Education for more than 125 years

Written by a tale-telling teacher

It's Spy Wednesday... did you know??? Holy Week began this past Sunday - Palm Sunday, and as we move through the week and complete our lenten season, we here at SJS want to extend our thanks for the sacrifices our families make to send our students to SJS! This week just might summarize the value of a solid, Catholic education! Thank you for trusting our school with your most precious gifts, and for believing that every decision we make is for the betterment of your child.

This is a busy week - perhaps the busiest all year for the Catholic Church! Monday, 7th and 8th grade students traveled to Hallettsville to participate in a Lenten Retreat, compliments of Sacred Heart High School. Many thanks for the invitation! And yesterday, the 8th graders experienced the Chrism Mass in Victoria at the Our Lady of Victory Cathedral. This morning, 6th grade students participated in a youth leadership presentation and this afternoon, at 3 pm, 7th and 8th grade students will perform the Living Stations. Tomorrow, on Holy Thursday, our 4th grade students will re-enact The Last Supper beginning at 11:30 am. SJS invites ALL family members, friends and the Yoakum community to live services. We will conclude this week with early release on Thursday, at 12 noon, to give all of our families time to prepare for the end of Lent and to reflect during the Easter Triduum.

We wish all a very happy Easter Sunday and will see our students on Tuesday! Enjoy this year's Easter season, as we await Pentecost and invite the Holy Spirit into our daily lives.

God's Blessings on a great week for all of our readers!
